

Use the Violet Flame for Transmutation

The violet flame is an invisible spiritual energy, the seventh ray of the Holy Spirit, that appears violet to those who have developed their spiritual vision.

Saints and adepts of East and West have long used the violet flame to accelerate their spiritual development, but this once-secret knowledge was not revealed to the masses until the twentieth century.

The violet flame revitalizes and invigorates us. The violet flame changes negative energy into positive energy. By transforming negative thoughts and feelings, the violet flame provides a platform for our healing.

The violet flame is a flame of joy as it sweeps through the consciousness of humanity. Flowing with the great flow of the Holy Spirit, it frees every particle of energy that it touches.

When the earth is bathed in the violet flame, as after a summer rain, the elementals splash in puddles and ponds of the violet elixir which remain. The four lower bodies of a planet and a people absorb the flow of violet fire as the parched earth and the grasses dried in the summer sun absorb water.

The violet flame and the violet-flame angels release a momentum that causes the electrons to spin. It is a momentum of joy! For joyousness and laughter—the kind of laughter that one has when one has gotten the victory over the self—bubble in the soul and bounce through the four lower bodies, sweeping away the debris of doubt and fear, the depressions of the years and the negative energies that lurk in the darkened corners of the mind.

Give the following two violet flame affirmations aloud several times:

***I AM the light of the heart
Shining in the darkness of being
And changing all into the golden treasury Of the mind of Christ. ****

***I am projecting my love
Out into the world
To erase all errors
And to break down all barriers.***

***I AM the power of infinite love,
Amplifying itself
Until it is victorious
World without end!***

*Your real Self, or higher consciousness. The universal Christ consciousness was personified in Jesus and other avatars and is present in all of us.

***O violet flame! O violet flame! O violet flame!
In the name of God, in the name of God, in the name of God!
O violet flame! O violet flame! O violet flame!
Flood the world! and flood the world! and flood the world!
In the I AM name, in the I AM name, in the I AM name!
Peace and peace and peace be spread throughout the earth!
May the Orient express peace,
May the Occident express peace,
May peace come from the east and go to the west,
Come from the north and go to the south,
And circle the world around!
May the world abide in an aura of God-peace!***
